

“Trust your fine architectural woodwork to the experts at Montano Wood Care. Serving businesses and institutions for more than 25 years with professionalism, superior quality and a focus on complete customer satisfaction.”

**Wilfredo Montano
President**

We bring the full force of highly trained craftsmanship, state-of-the-art technology, safety and care to the critical work of fine wood restoration services and preventive maintenance. From gracious lobbies and reception areas to fine furniture and the most ornate architectural wood work, the skilled technicians of MONTANO WOOD CARE deliver dazzling results, bringing your facility back to its original splendor.

Protect Your Investment for Years to Come With a Cost Effective Maintenance Program and the Highest Quality Service.
